DELTA CHELSEA HOTEL

Releases

PRESS RELEASE February 4th, 2002

## Attention Health/Travel Editors:

### 'LivWell<sup>®</sup>' at the Delta Chelsea

Delta Chelsea introduces North-America's first LivWell Rooms<sup>®</sup> featuring advanced sleep technology

TORONTO, Feb. 4 /CNW/ - Getting a good night's sleep is now easier than ever at the Delta Chelsea in downtown Toronto. The first hotel in North America to offer advanced sleep system technology, Delta Chelsea's LivWell Rooms<sup>®</sup> provide guests with an unparalleled sleep experience.

LivWell Rooms<sup>®</sup> are equipped with the latest developments in sleep science including specialized mattress pads, pillows and comforters scientifically designed to promote quality sleep and a feeling of improved wellness during the day. These Advanced Sleep Systems combine a world-renowned Advanced Magnetic Technology<sup>™</sup> and Far-Infrared Technology to promote relaxation, correct temperature and superior comfort.

The rooms also feature filtration systems that provide allergen-free air and fresh, clean filtered water. For the ultimate shower experience, Advanced Magnetic and Chlorine Filtration showerheads have been installed to provide guests with an invigorating and energizing shower.

"We're very pleased to be the first hotel in North America to offer the LivWell Rooms<sup>®</sup>," says Josef Ebner, Regional Vice President and Managing Director, Delta Chelsea Hotel. "Getting a restful sleep is so important to the well being of our guests and we are thrilled to offer rooms that promote optimal health."

The LivWell Rooms<sup>®</sup> were created by Valerie Aloisio of LivWell Solutions & Consulting and Andre Dery, both respected wellness consultant experts and independent distributors of advanced wellness products and technologies.

The LivWell Rooms<sup>®</sup> are based on availability and subject to a surcharge. Canada's largest hotel, the four-diamond rated Delta Chelsea is centrally located in downtown Toronto. For reservations call the Delta Chelsea at 1-800-CHELSEA or visit the website at [www.deltachelsea.com](http://www.deltachelsea.com). For more information on the technologies featured in the LivWell Rooms<sup>®</sup>, please call LivWell Solutions & Consulting at (203)371-0288.
