Cutting Edge Wellness Technology SpringHill Suites by Marriott First in Arizona

PROFILE SpringHill Suites by Marriott in Prescott is the first hotel in Arizona to offer a premium guest suite that incorporates advanced sleep, air and water technology. The LivWell Room® is designed for those guests who consider optimal health and wellness a top priority. This guestroom utilizes cutting-edge wellness technologies which promotes not only exceptional comfort and relaxation but overall well-being and enhanced energy.

"We are thrilled at the opportunity to be the first hotel in Arizona to offer this special room type to our guests," says Margo Feist, Regional Marketing Director for Ponderosa Hotel Management and representative of the LivWell Room® concept. "We fully expect this to be the next major trend in the hotel industry - the timing is perfect."

The LivWell Room® is equipped with the latest developments in sleep science including a patented magnetic sleep system, which features superior ergonomic design, far-infrared, negative ion and patented magnetic technology. These advanced technologies provide the opportunity to obtain a more restful, restorative, deep sleep which benefits your overall health, immune system and energy level throughout the day.

The LivWell Room® also features

patented water and shower Systems, duplicating the purest water available anywhere. These special water systems use several layers of filtration and additional components that provide fresh, chlorine-free, naturally alkaline living water for optimal hydration and immune system enhancing properties.

The air has never been cleaner since installing the air purification system, the last major component of the LivWell Room®. This multi-stage air filtration system is more than just an air purifier. This system is an ozone-free negative ion generator that duplicates the air quality of natural settings, such as forests or near waterfalls.

"According to the comment cards, guest feedback has been excellent," says Mya Beckley, General Manager of SpringHill Suites Prescott. "Several guests insist on securing this room type for every future stay with us and we expect to convert more rooms as demand continues to increase."

The LivWell Room® is based on limited availability and a premium room rate may apply. Advanced reservations are highly recommended and can be made by calling 928-776-0998. For more information about the technologies featured in the LivWell Room® please call 928-925-6593.

For the Delights of Autumn... Head to the Prescott Area

OVERVIEW Longing for a dose of glorious fall color? Wishing to recapture the fun of picking your own pumpkin, instead of grabbing one at the supermarket? How about quaffing a stein of Oktoberfest beer? All your autumn dreams can come true if you head to the Prescott area just 90 miles north of Phoenix.

Brilliant red and yellow maple trees line Mount Vernon Street with its beautifully restored Victorian homes. Yellow is the theme as the ancient elms surrounding the historic Courthouse Plaza give way to fall. Or you can treat yourself to scenic area drives filled with fall wildflowers, yellow birch trees and quaking aspens. Just stop by the Chamber of Commerce to pick the **Forests and Grasslands Back Country Tour Guide**.

In addition to enjoying the fall colors, visitors will find a variety of events and attractions to entertain, delight and enjoy. The **Fall Fest in the Park** on Oct 9-10 features 140 artisans selling their arts & crafts. Or, have a barrel of fun at the "Old West Oktoberfest" celebration on Oct 16 as you savor quality ales and lagers produced by members of the Arizona Craft Brewers Guild along with

German music, dancers, food and kids entertainment.

Two area farms offer a host of **harvest activities**: From **Sept 25-Oct 31** the **Collier Family Farm** in Chino Valley features a 5-acre corn maze, hay rides, a barn hay slide, fall decorations and fresh winter squash, herbs and pumpkins. They are open daily 9a-6p, call for admission: 928-636-2804. In nearby Dewey from **Oct 1-24** the **Young's Farm 19th Annual Pumpkin Festival** brings you crafts, hayrides, BBQ, entertainment and, of course, pick your own pumpkin. Located at the Jct. of Hwys 69 & 169, they are open on Fridays-Sundays, 9a-4p.

Admission is \$3. 928-632-7272

Enjoy a perfect fall evening with dinner, a stroll around the downtown square and a play at Prescott Fine Arts or a show at the Yavapai College Performance Hall. For those with children to entertain, keep in mind the Halloween fun to be had at **Boo at the Zoo** on **Oct 31**. Heritage Park Zoo will have a "trick or treat" at each animal enclosure from 6-8p. 928-778-4242
